“ *First met Flora at the home of my sister and her husband, didn't realize years later we'd be neighbors. Always admired her and Wayne, their beautiful garden and love of crafts and antiques. Later had the pleasure of sharing in worship with her at Central Naz.*

“ *For Donna, David and families.... I am saddened about her passing. Words don't express the memories... camping, traveling, food, fun, building so many projects, shopping, antiquing... the list goes on and on, and on. Sadly she is the last of the foursome that traveled and camped together. What friends she and dear "Wayne, the movie star", were through soooo many years. Her pain and suffering is over.... let the memories warm your hearts. She may be gone from this world, but she lives on, in your heart.*

“ *Grandma, you are an amazing woman! You are a beautiful person inside and out! I will always cherish the memories of our tea parties, our fashion shows, trips, and playing with your costume jewelry when we were little! Your homemade noodles, pies, cookies, fudge, peanut butter griddle, and peanut cake are amazing! I absolutely love your homemade strawberry jelly and apple butter. I got to be there for your last breathe. You are pain free and cancer free now! Go fly high with the Angels and enjoy your life in heaven! Until we meet again! I love you more than you ever know!*
