“ As the niece of Aunt Ida, I have a long history of memories of her and the family. I was the housekeeper and baby sitter for my nieces starting at the age of ten. I felt like she gave me a second home after living with the family a while in my teen years. Ida always had an open door for my mother when in need. I'm sure they'll be playing cards in heaven. So sorry for her passing. She'll always be in our hearts. Cathy

“ Dear Mom, I am going to miss talking on the phone with you each month and writing you letters. In fact, just the other day I was thinking of something I wanted to share with you, that I knew would make you laugh, but stopped when I remembered that you can no longer be reached on the phone or post. I will miss your laugh. I can still still hear your voice in my head from our last conversation. I will treasure the time and lasting friendship we had. You are the most wonderful, generous, loving, and thoughtful woman and I hope you know just how much I love you. Evelyn says that she knows you are happy in heaven with all the family who were waiting there for you. We know we will see you again. All our love, Saralee
