“ I wasn't able to make Tristan's service, but I watched it, so beautiful. This is one of the best services I have ever seen. It was peaceful, if you will. My thoughts, love and prayers go out to all family and friends.

“ Tristan I remember you as a little boy and watched you grow into a very kind, loving young man. I haven't seen much of you over the years but I'll never forget the last day I saw you was a couple days prior, my memory will be that you said you loved me. I wish life was not so rushed because I would have loved to talk to you. I will stop and talk from now on. You were always a very loving young man. I love you and your family. May God give you a special home full of love and happiness because you have given so much love to many people. I will miss seeing your smile
